5. Robbery: no update from the PNP. We were told by the PNP that the arrest warrant will not be issued until June 2010 at the earliest!
6. FRALics 2010 raffle ticket books. Who holds the money? After the robbery the secretary is a little gun shy to hold any FRA money.
  - A. VFW 2485 has 25 books delivered by Shorty
  - B. LAFRA has 70 books
7. Safe update: need to either buy or build one. VFW has a safe that maybe they are no longer using. Will try to get the safe in the kitchen open if we can find a locksmith who knows combination locks.
8. Still need to get the roof repair estimate from Cleofe. Sec forac.
9. FRALics 2010
  - A. Need to move the stage so it faces north.
  - B. Chili teams to be allowed to park in the back but must stay until 1600. Chili cook-off 10-1400 with judging and awards about 1500.
  - C. Beauty contest on Sunday; would be nice to get local (from San Antonio area) contestants; do away with evening gown.

D. Drink tickets will be sold at P35 each for Sat and Sun to simplify drink payment. One drink = one ticket so some drink prices will go up and some will come down for these two days.

E. Expense reimbursement for those working the streets for FRALics fund raising.

F. FRALics aprons for sale at P275.

G. Three teams have paid their entry fee for the cook-off thus far.

10. Motion Steakley, Second Doty to reimburse John Kelly and Bob Perrizo for transportation to and from Angeles City and Olongapo in support of FRALics. Reimbursement to be subtracted from shirt money.
